Daman Securities' Newly-Launched Mobile Trading App Wins DFM Award

UAE, Dubai: Reaffirming its solid status as the UAE's leading financial services provider, Daman Securities, the brokerage arm of the Dubai-based Daman Investments, won an 'Award of Appreciation' from the Dubai Financial Market (DFM), for its newly-launched Mobile Trading App for trading of stocks listed in Dubai Financial Market (DFM) and Abu Dhabi Securities Exchange (ADX).

Mr. Ahmed Seif El Din, General Manager of Daman Securities received the Award of Appreciation from Mr. Hassan Al Serkal, EVP-COO-Head of Operations Division of DFM on Monday 19 October 2016 at a ceremony held alongside GITEX Technology Week in Dubai, UAE.

The mobile trading App. is Daman's latest customer-centric initiative designed to provide investors with high-tech and safety every time they use it for their transactions while being mindful of their convenience no matter where they are.

Clearly thrilled at the prestigious award win, Seif El Din said, "We plan to continue providing innovative products and services to our clients, by involving high-tech advanced solutions and secured platforms. Our customers can now trade from anywhere in the world using the mobile App to help them to stay abreast of market moves while conducting their transactions quickly and safely".

The mobile App. offers Daman customers a raft of fresh features allowing for enhanced functionality and 24/7 productivity.

"In order to stay ahead in this ever changing landscape of new-age trading, and to keep up with discerning investors demands for no limits or barriers to their daily trading routines, we continuously invest in modern technology and this new mobile

trading app is the latest demonstration of our commitment to Daman's heavily customer-focused philosophy" said Mr. Shehab Gargash, Daman Investments' Executive Chairman.
